2. Minutes from meeting of Monday 13th May 2019

The minutes were approved

3. Matters arising

DH asked whether speed checks had been completed on Brockenhurst Road. MR advised that she had been unable to book the NPR van but would continue to ask. TW said that the Radar speed gun could be used for a spot check but it was agreed that as part of Devenish Road was closed it would be better to wait.

4. Royal Ascot

4.1. A general discussion took place on the management of Taxis. DH stated that whilst on holiday he received emails from residents of Burleigh Road who enclosed photos showing the road blocked with taxis dropping off and picking up their fares. MR said taxis were trying to stop in the High Street but were moved on. It was suggested that there could be an in-out pick up and drop off point in car park 1 which could help resolve the problem. DH said he would write to Alastair Warwick and try to get an invite to the traffic management wash up meeting.

4.2. The meeting was advised that the Safety Action Group would meet on the 23rd July.

5. Priorities 2019 all figures based on previous month

5.1. **Burglary Residential:** There were 9 dwelling burglaries since the last meeting in May, of these 4 were in Sunningdale and one in Coronation Road. MR said that there had been a burglary initiative in the area with a lot of patrols focussed on offenders from across the border in Surrey. There were also two shed breaks one in Woodlands Ride and the other in Lady Margaret Road. At one a month this is probably the lowest number ever recorded.

5.2. **Burglary non dwelling:** Three non-dwelling burglaries had been reported.

Kings Ride Court -The door of the premise had been kicked in.

Rise Road- container broken into

Brockenhurst Road A quantity of oil was stolen

5.3. **Theft from Motor Vehicle:** There had been 10 thefts from motor vehicles, most of the vehicles were secure. TW said an operation in a Windsor car park revealed 24 cars with laptops visible. TW said she continues to run the clear car campaign.

6. Vehicle Nuisance

6.1. SC stated that in South Ascot cars parked on the bend where Oliver Road joins St George's Lane obstructed the view of motorists trying to negotiate the bend and were a road safety hazard. She asked if double yellow lines could be introduced. MR and DH both said that enforcement was the issue.

7. ASB

7.1. MR reported some drug taking by youths in the Sunningdale car park.

8. Any Other business

SC explained an incident of stalking and that the victim found a very harrowing experience. The victim had received a letter from the stalker who said he had seen her on a train and so knew where she lived which caused her to feel unsafe in her own home. SC went on to explain how the victim had discovered the stalkers name and address and reported this and the stalking to the police who took no action. MR stated that it should have been treated as stalking and a safeguarding issue.
